

MODERN SLAVERY ACT

– OUR APPROACH –

AQUASYSTEMS INTERNATIONAL NV is committed to meeting the aims of the Modern Slavery Act 2015 – (UK) (Law on Human Trafficking of 13/04/1995 (BE)). We strongly oppose slavery and human trafficking in our supply chains and any part of our business. To be trusted to do the right thing is one of our core values. We would never knowingly engage with suppliers or contractors involved in slavery or human trafficking.

Our Anti-Slavery Policy sets out AQUASYSTEMS's commitment to acting ethically and with integrity in our supply chain arrangements, and the safeguards we have implemented to require that our suppliers and contractors comply with the Modern Slavery Act.

As part of our procurement process, any new potential contractor or supplier will be required to confirm that they comply with the Modern Slavery Act and, if appointed, we require that they flow down the requirements we place on them to any sub-contractors they use to provide their services to AQUASYSTEMS INTERNATIONAL NV. We will implement these provisions upon issue of new purchase orders.

Our Human Resources Department maintains recruitment policies to protect against slavery and/or human trafficking in our own operations.
